

BECOME A FRIEND OF THE DESCHUTES NATIONAL FOREST

Photography by Conner Burck

Black Butte Ranch and the National Forest Foundation (a non profit partner of the U.S. Forest Service) have joined in a partnership to support projects that improve, enhance, and sustain the Deschutes National Forest. The projects include trail and forest recreation improvements, wildlife habitat, watershed restoration and community-based forestry programs.

For each night you stay, a voluntary donation of \$1 per room will automatically be added to your bill. Black Butte Ranch will forward 100% of your contribution to the National Forest Foundation. For every dollar contributed, the National Forest Foundation will invest \$1.25 in on-the-ground conservation.

Thank you,

Your friends at Black Butte Ranch, a member of the Unique Properties of Sisters Country.
